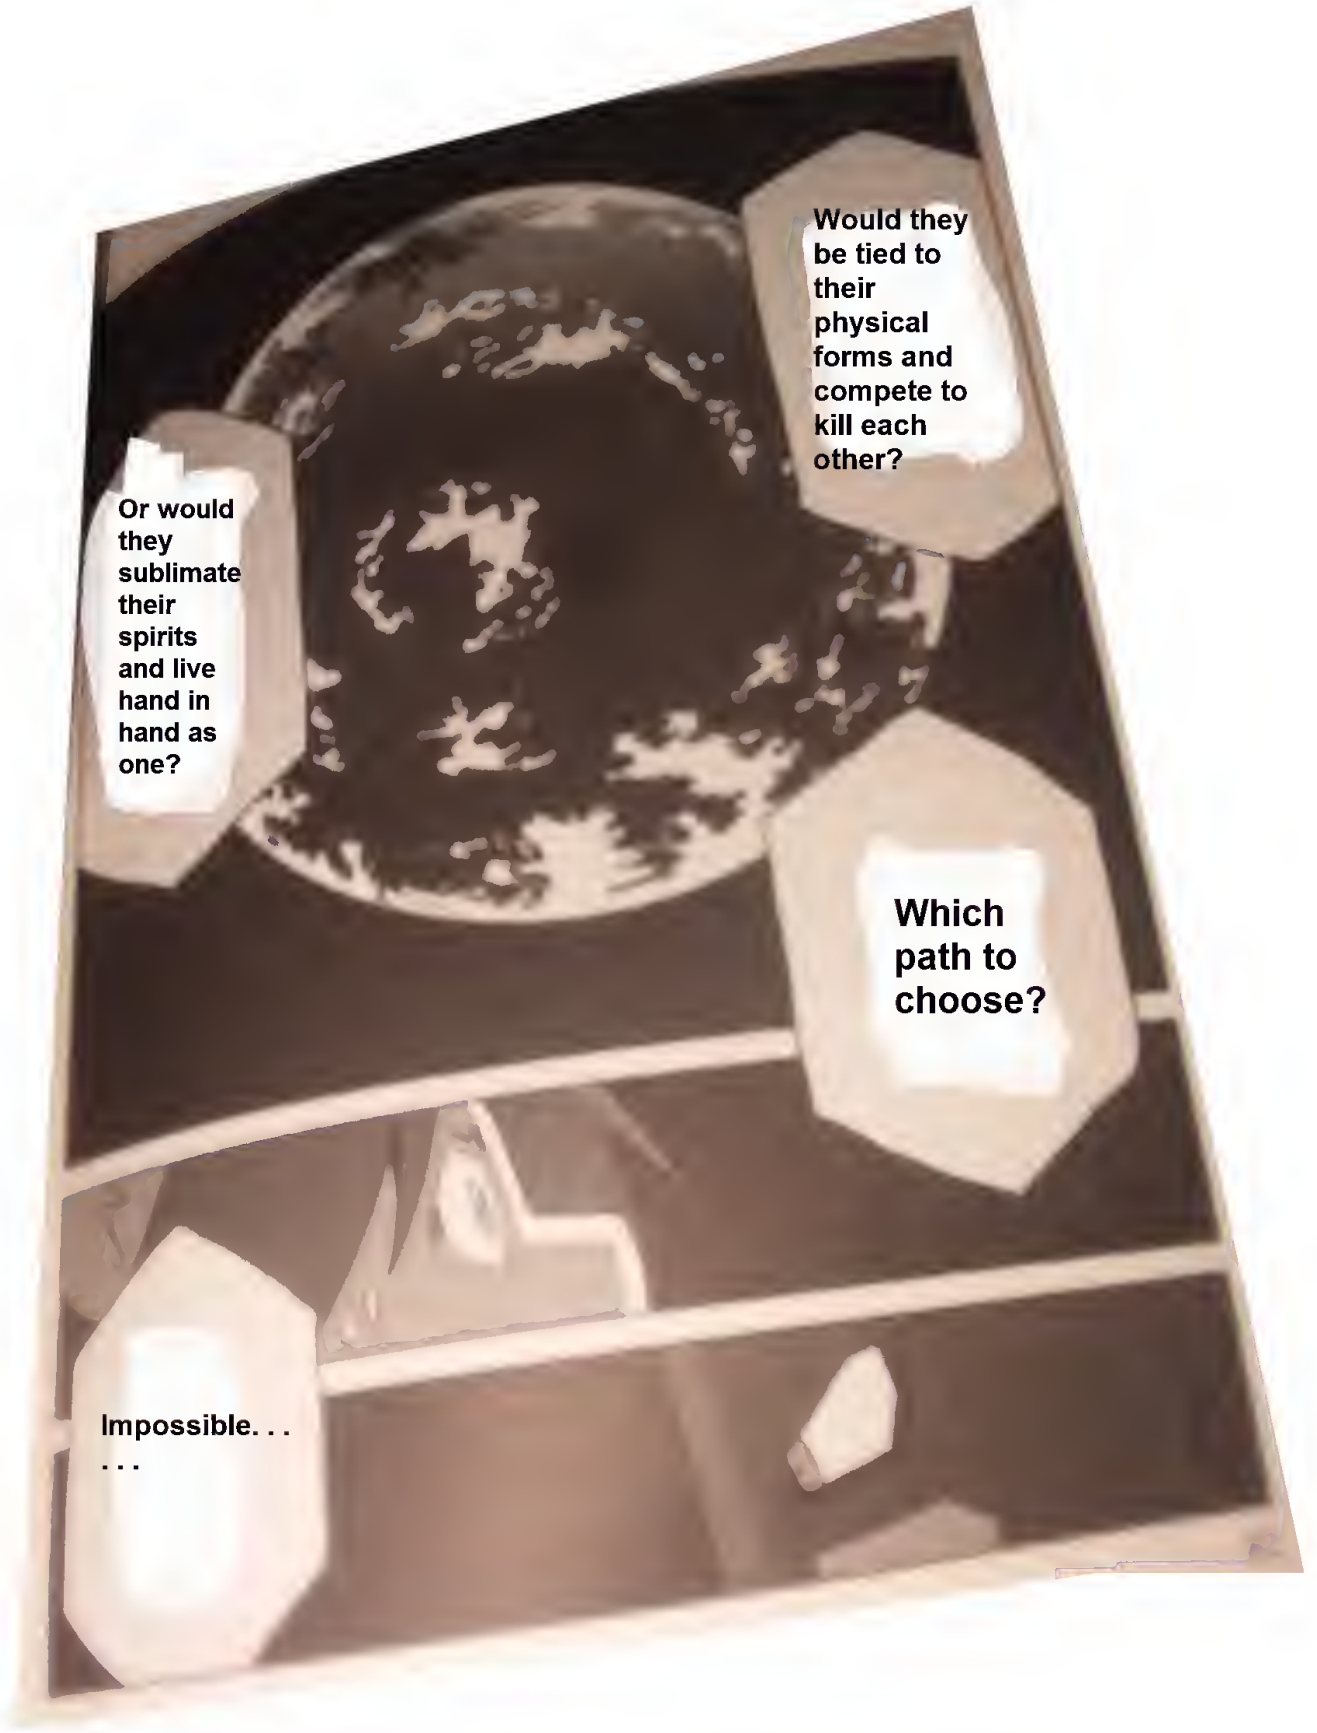
You're nothing but a child.
You fool... Why do you even fight...

The world...
I won't let you destroy it!!
You say such strange things...
The birth of this world is the result of what the Star Creatures wanted and selected.

.....what...
!!

You Star Creatures are a strange race indeed.
Physical forms and the spirit...
You are life forms with different values that have come together.

Including the dilemma of becoming a collective consciousness.
It became clear to me that their kind of civilization would be maintaining a dangerous balance.
..... So.....
I gave them two possibilities.



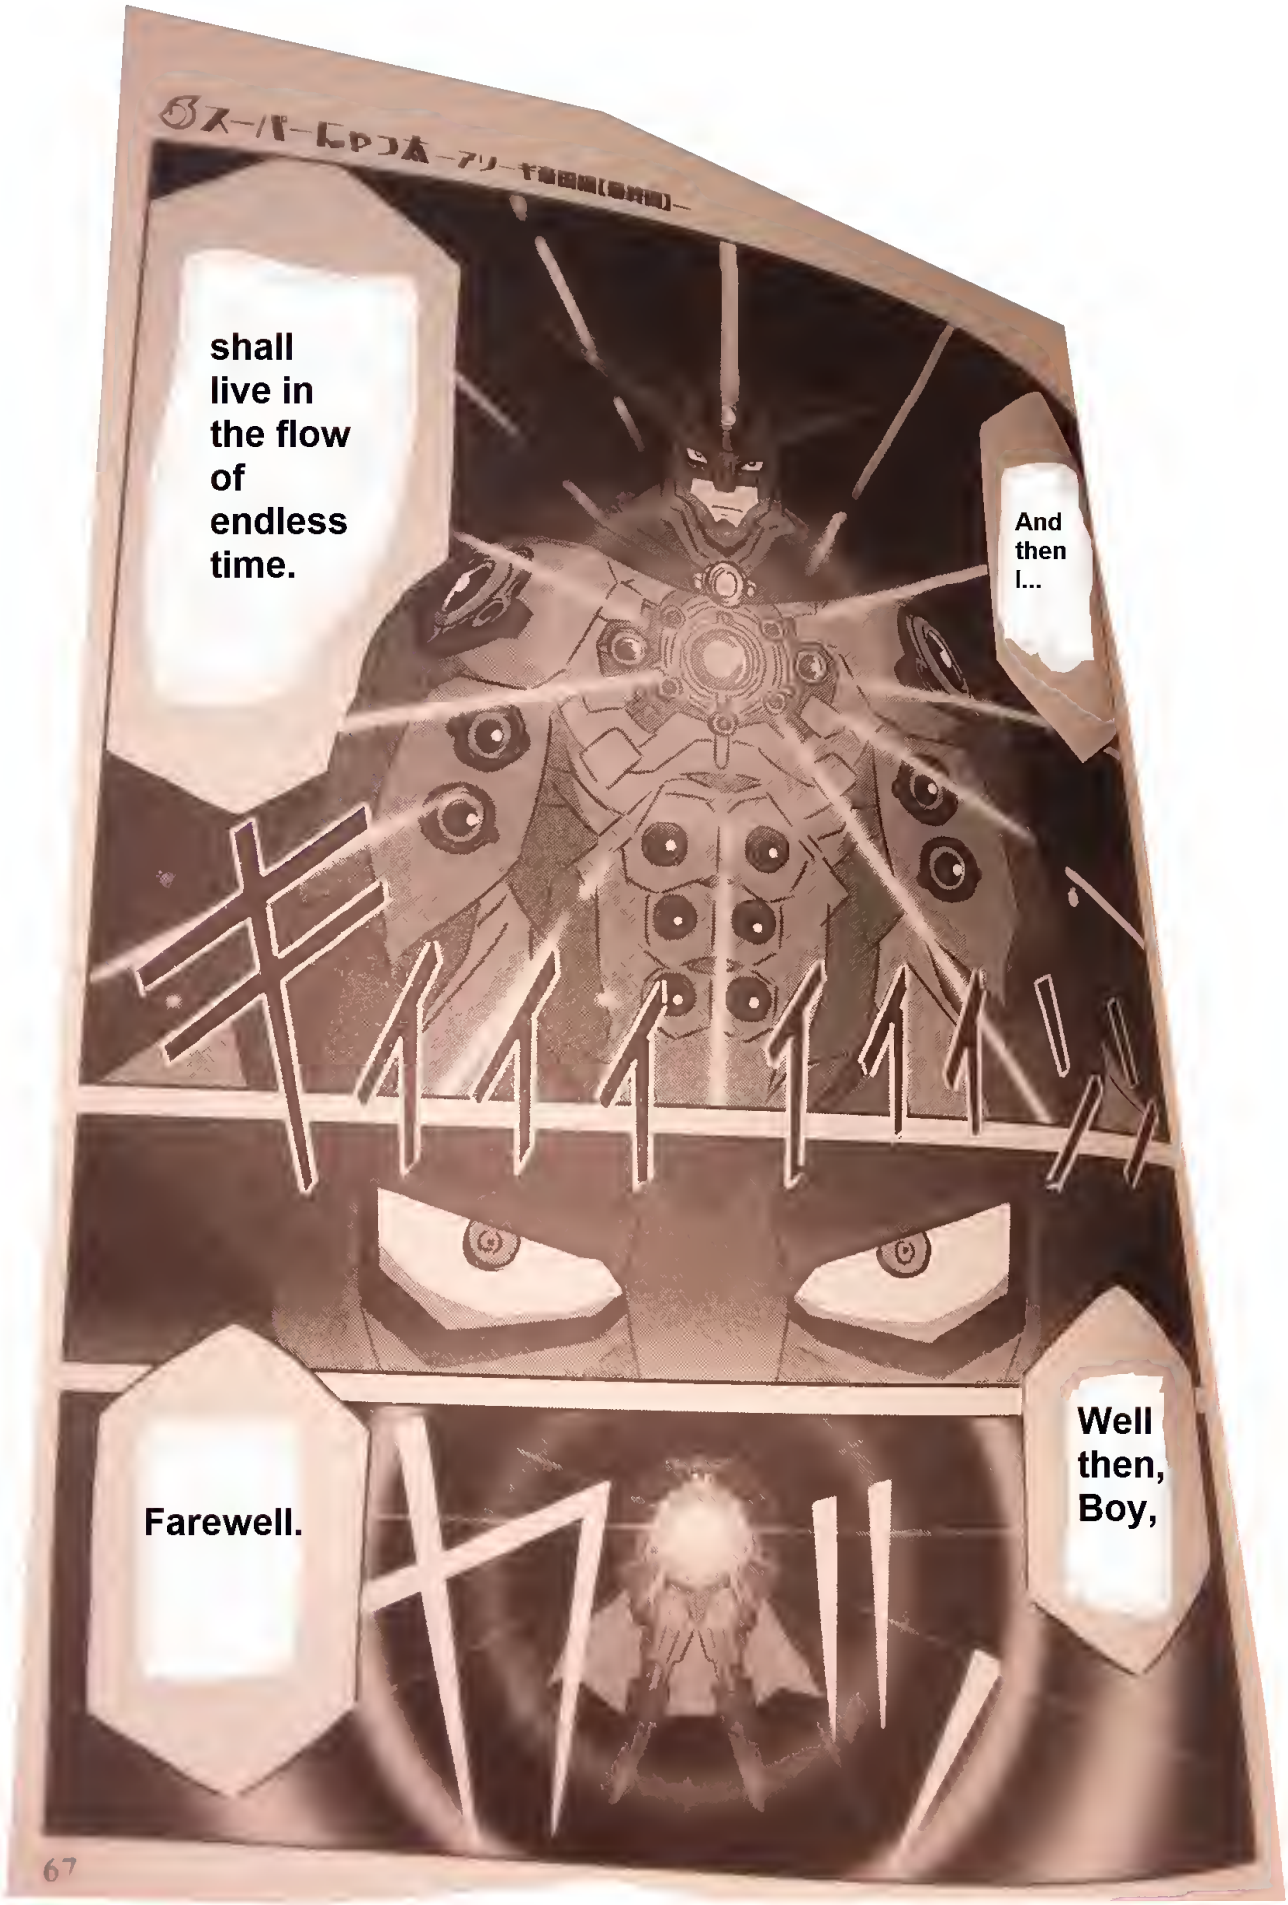
Would they be tied to their physical forms and compete to kill each other?
Or would they sublimate their spirits and live hand in hand as one?
Which path to choose?
Impossible. . .
. . .

that tower is being used to unleash the psychology of the people's inner being?
then,
I gave them a chance to grow beyond...
Like watering flowers...
...

Look.
KILL HIM!!
KILL HIM!!
KILL NYATTAAA!!
You're the reason everything's been burned to the ground!!
Earth traitor!!
Glory to Lord Asougi!!
Leave Earth!!

That is who you are trying to protect with your life.
Their true self...
Kuh!
AUUH!

Soon this star
will be destroyed and will slumber for a very long time.
After seeing its future. . .
I will shift to another dimension to look for another star
in order to slaughter all those who live in space.



shall live in the flow of endless time.
And then I...
Well then, Boy,
Farewell.

ドオッ
Mm?
uuh...

WANSER!!
ニュウウウウウ
That's right!!
For the people on Earth and to save the world,
I am here!
